

Wharton's Farm section: "Modern" in the survey

Melsonby Memorial Inscriptions: ©Survey by Cleveland, N Yorks and S Durham Family History Society 1990

Clues to Location in the Churchyard:

These records are listed geographically in numerical order. The first large section, West, starts numbering at the wall level with the church double gates and increases numerically towards the church as shown in the sketch.

Numbering is less clear in SE, NW, and E sections...
